Comments:

This certificate is issued to the applicant on the basis of the information provided by the manufacturer or the applicant.

The CE mark can only be used under the responsibility of the manufacturer with the completion of EC Declaration of Conformity if all the relative EU Directives or Regulations are complied with. EC Declaration of Conformity and the technical documents are prepared by the manufacturer or its applicant who puts the product on the market.

The applicant or manufacturer should notify ECTI CERT on time in case any change to the above product is made. The applicant and the manufacturer should keep the technical file of the product for 10 years from the date of issue.

04.11.2021
